## The who's who at proSeal roofing Systems...?

**Paul Whaley – President**

Since opening RPW Associates, Inc in January 1998, Paul has been the driving force behind **proSeal** Roofing Systems. Bringing with him over 40 years of roofing and building sciences knowledge and experience to marketplace. When not focused on work, Paul can be found on one of his Harley Davidson motorcycles.

**Louis Whaley – CEO**

Efficiency, dedication and pride are just a few of the things Louis brought to the team when she joined in January 2004. Now overseeing the daily operation with an emphasis on accounting she has effectively become the heart and soul of **proSeal** Roofing Systems

**Darrell McLean – Manager of Commercial and Modular Roofing**

Since joining the group in October of 1999 as warehouse supervisor, Darrell developed his technical skills and knowledge to become highly skilled in the field, making him the perfect choice to head up the technical departments.

**Amanda Gilmore – Manager of Customer Services**

Since joining the group in Jan 2010, Amanda has been an intricate member in the development of our customer service programs and marketing developments. Her attention to our customer requests assures their requirements are always fulfilled.

**Matt Badura – Modular Sales Associate; Western Canada**

After entering a strategic alliance with Assured Solutions Groups and **proSeal** Roofing Systems; Matt Badura joined our team in December 2014. Matt brings an extensive knowledge and a proven sales history in the Canadian roofing industry.

**Clare Colquhoun- Shipping and Warehouse Services**

Joining the group in June 2013, Clare has become proficient in the custom fabrication of roof systems and accessories. His organizational skills keep the shipping of projects running smooth.
